

# Make Everyone Connections

Version 10

Published 11/11/2016 01:04 AM by [Tim Eisenhauer](#) Last updated 1/30/2020 07:13 PM by [Grace Kamau](#)

---

Some organizations want everyone to have the sharing and rights enjoyed between connections for all their users. You can make everyone in your community connections through [System Properties](#) in the [Control Panel](#) .
