

Case Project Permissions

Version 18

Published 2/28/2017 11:26 PM by [Anonymous User](#) Last updated 7/6/2022 06:23 PM by [JD Flores](#)

Case project permissions control who can see, create, and manage case projects.

Setting Case Project Permissions

1. From the space, click **Manage Space > Permissions**.
2. In the dropdown menu, select **Case Project**.
3. Check or uncheck permissions.
4. Click **Save Changes**.
