

Connect Email to Calendar

Version 16

Published 3/1/2017 01:15 AM by [Anonymous User](#) Last updated 6/21/2022 06:51 PM by [JD Flores](#)

Give your event invitations a personal touch by connecting your email to your calendar. Your personal email address will appear as the email invitation sender when you invite people to events.

[+ Personal Email](#)

Note: To connect your Google or Outlook calendar to your Communifire calendar, see [Google Calendar Sync User Setup](#) and [Outlook Sync User Setup](#) instead.
