

Add People to Space

Version 17

Published 3/1/2017 01:48 AM by [Anonymous User](#) Last updated 6/22/2021 07:06 PM by [Grace Kamau](#)

Add people to a space to give them immediate access to the space. When you add people to a space using this tool, they are automatically approved and can create and interact with content in the space. Bypass the invite process and give people access to the content and resources they need.
