Find public [Spaces](#) to join in your intranet and see spaces you are a member of on the [Browse](#) > Spaces page. The list of spaces displays top level spaces you can join. Sub spaces are not included. My Spaces on the right lists all the spaces you are a member of, including sub spaces.

▫

Join a Space

▫

If membership in the space is moderated, your request to join will need to be approved by a moderator. Otherwise, you will be added to the space immediately.
