

View User Activity

Version 10

Published 3/24/2017 01:17 AM by [Anonymous User](#) Last updated 7/8/2021 03:38 PM by [Grace Kamau](#)

The user activity page displays a list of actions a user has taken in the intranet. You'll see activity such as viewing content, commenting on content, creating content, and more.

Activity Action	Space	Entity Type	Entity ID	Content	Date
Vote	Human Resources	Poll	104		one second ago
View	Human Resources	Poll	104		4 seconds ago
View	Human Resources	Poll	0	List	5 seconds ago
View	Human Resources	Survey	0	List	7 seconds ago
Follow	Human Resources	Article	7995	Share Your Work From Home Workstation Setup	15 seconds ago
Add Comment	Human Resources	Article	698	Share Your Work From Home Workstation Setup	15 seconds ago
Like	Information Technology	Article	7995	New Intranet Software Now Available to all Employees	24 seconds ago
View	Top level community	Space	0	List	32 seconds ago

To view a user's activity:

1. Click the gear icon > **Control Panel** > **People** > **Manage People**.
2. Search for the user.
3. For the user, click the gear icon > **View User Activity**. You can filter activity by action type, space, entity type, entity ID, and content.
