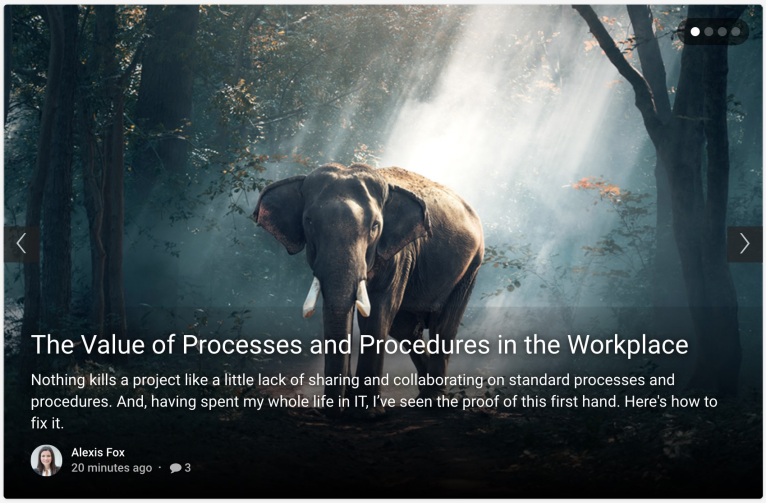
Carousel Template

Version 8

Published 4/28/2017 01:24 AM by Anonymous User Last updated 5/11/2021 11:37 PM by Grace Kamau

The Carousel template displays content in a carousel that cycles automatically. The template is a built-in template and comes with your Communifire site. To use the template:

1. Add a Content List Widget on a Page Builder page
2. Edit the widget
3. Select the Carousel template in the Template tab



Note: To display photos in a carousel, we recommend using the Carousel Photo Template instead.
