

Page Builder Extras

Version 24

Published 4/28/2017 04:09 AM by [Matt Trujillo](#) Last updated 8/6/2020 06:13 PM by [Grace Kamau](#)

Axero and customers come up with great ideas for new [Page Builder Widgets](#) all the time. We love implementing these new widgets in Communifire, but implementation takes time and we want to give you these widgets immediately. Page Builder Extras provides instructions on how to implement these awesome widgets in your Page Builder pages. Have your own widget you would like posted here? Post it in our [forums](#).
