Properties

Property	Description
Field label	The field label appears at the top of the field. Start typing and a list of matching text resources will appear. Select one to use or finish typing to create a new resource when the page is saved.
Number required	The minimum number of values a user is required to provide.
Number permitted	The maximum number of values a user is permitted to provide (typically just 1). Enter 0 for unlimited.
Content in field included in search	Check to make the field searchable
