Properties

Property	Description
Field label	The field label appears at the top of the field. Start typing and a list of matching text resources will appear. Select one to use or finish typing to create a new resource when the page is saved.
Field	The profile field to filter with.
Linked Field Option	For linked picklists only: Select a parent field value to show only the linked values for the parent without requiring users to first select a value in the parent filter.

Advanced

Field	Description
Custom CSS class	A CSS class to append to the field.
Show Header	Check to show the field's header, which includes the title.
Show Footer	Check to show the field's footer.
Hide Container Border	Check to hide the field's border.
