

Challenge List Template

Version 7

Published 1/23/2020 07:40 PM by [Grace Kamau](#) Last updated 5/11/2021 11:37 PM by [Grace Kamau](#)

The Challenge List template displays badge challenges and the current user's completion status. The template is a built-in template and comes with your Communifire site. To use the template, complete the following steps:

1. Add a [Content List Widget](#) on a Page Builder page
2. Edit the widget
3. Filter by the challenge content type
4. Select the Challenge List template in the Template tab

Challenges
