

Manage Space: Integrations

Version 10

Published 1/23/2020 09:13 PM by [Grace Kamau](#) Last updated 6/18/2021 11:50 PM by [Grace Kamau](#)

Add and manage integration accounts in a space. Integration accounts added in Manage Space are only available for use in that space. Check out our integration setup guides linked below for instructions on setting up a specific integration.

Setup Guides

Cloud Storage Integrations

- [Box Integration Administrator Setup](#)
- [Dropbox Integration Administrator Setup](#)
- [Google Drive Integration Administrator Setup](#)
- [Sharepoint and OneDrive Sync Administrator Setup](#)

Video Conferencing Integrations

- [Jitsi Integration Administrator Setup](#)
- [Zoom Integration Administrator Setup](#)

More Integrations

[Third-Party Integrations](#)

Delete Integration

Delete a connected account in Manage Space > Integrations to remove the integration from a space.

Notes:

- Box, Dropbox, Google Drive, OneDrive, and Sharepoint: When you delete the account, all external folders and files for all users are removed from Communifire.
- Jitsi and Zoom: When you delete the account, people will not be able to add an online meeting link when creating new events. Meeting links for existing events are not deleted.
