## 12 Reasons to Celebrate at Work

I was excited to find this brave little challenge in the sea of productivity and negativity complaints. Here's a person, I thought, who is not out to brainwash and slave-drive her fellow coworkers. But to refresh and entertain! This is an update. I was excited because she and I have the same passion. I am not looking to bore people to death with stale ideas either. I am here to make sure you have a good time. If possible, in more ways than one. But if you asked me what my biggest challenge was in writing these posts, I wouldn't say "fresh ideas." I'd say: the time to record all the amazing stuff I come across every day.

## How to Get Coworkers to Read Your Emails

How can you advise people who refuse to read your advice, let alone take it? Maybe this is one of those rare occasions when you can blame the messenger. Meaning email. Email has been a victim of its own success. It's so cheap, so fast, and so convenient that it's become the default mode of communication. And, even though our private lives have been drifting towards social, our work lives still pretty much revolve around email.
