The XS - Newsroom Carousel template displays content in a modern and sleek carousel. The template is a built-in template and comes with your Communifire site. To use the template:

1. Add a [Content List Widget](#) on a Page Builder page
2. Edit the widget
3. Select the XS - Newsroom Carousel template in the Template tab

## HUMAN RESOURCES

### 12 Reasons to Celebrate at Work

I was excited to find this brave little challenge in the sea of productivity and negativity complaints. Here's a person, I thought, who is not out to brainwash and slave-drive her fellow coworkers. But to refresh and entertain! This is an update. I was excited because she and I have the same passion. I am not looking to bore people to death with stale ideas either. I am here to make sure you have a good time. If possible, in more ways than one. But if you asked me what my biggest challenge was in writing these posts, I wouldn't say "fresh ideas." I'd say: the time to record all the amazing stuff I come across every day.
