## How to Get Coworkers to Read Your Emails

How can you advise people who refuse to read your advice, let alone take it? Maybe this is one of those rare occasions when you can blame the messenger. Meaning email. Email has been a victim of its own success. It's so cheap, so fast, and...

## Template HTML

Below is the HTML of this template, for your reference.

```
<div class="xs-newsroom-wide {{CustomCSSClass}}">
  <div class="xs-content">
    <ul>
      {{#each Contents}}
      <li>
        <a class="tile" href="{{ContentURL}}">
          <div class="tile-content">
            <div class="tile-media" style="background-image:url('{{ContentImageURL}}');"></div>
            <div class="tile-content-text">
              <div class="tile-head">
                <div class="category-eyebrow">{{SpaceName}}</div>
                <h4>{{Title}}</h4>
                <p>{{Summary}}</p>
              </div>
              <time class="tile-time">{{DatePublishedString}}</time>
            </div>
          </div>
        </a>
      </li>
      {{/each}}
    </ul>
  </div>
</div>
```
