

# My Integrations

Version 7

Published 10/15/2020 06:33 AM by [Grace Kamau](#) Last updated 5/14/2021 09:47 PM by [Grace Kamau](#)

CommuniFire's [Third-Party Integrations](#) include calendar integrations, cloud storage integrations, forms integrations, social media integrations, video conferencing integrations, and more. On the My Integrations page, you can view and manage your personal integrations.

## [Delete Integration Account](#)

## User Guides

Once a site administrator has completed the admin setup guide for an integration, individual users can add the integration for their account. Each person must complete the user setup guide to add the integration for their account.

## Calendar Integrations

[Google Calendar Sync User Setup](#)

[Outlook 365 Calendar Sync](#)

## Cloud Storage Integrations

[Box Integration User Setup](#)

[Dropbox Integration User Setup](#)

[Google Drive Integration User Setup](#)

[Sharepoint and OneDrive Sync User Setup](#)

## Video Conferencing Integrations

[Create Event with Jitsi Meeting](#)

[Create Event with Zoom Meeting](#)

## Other Integrations
