

Wefire Chat Mobile and Desktop Apps

Version 7

Published 6/9/2021 08:43 PM by [Grace Kamau](#) Last updated 10/7/2021 01:45 PM by [Adam Ilowite](#)

Note: Wefire Chat is currently in beta.

Download the Wefire Chat mobile and desktop apps to stay connected in chat even when you're not on the site. You can do all the things in the mobile and desktop apps that you can do in the web application, such as send files, favorite conversations, and start new conversations.

we also had a meeting yesterday. And everything is correct. Our sales team did a great job!

Maria Shears 11:29 AM
Let me add Toni.

User toni-b added by maria

Maria Shears 11:30 AM
Hi Toni!

Toni Bragg 11:30 AM
Hi everyone!

Alexis Remington Fox 11:30 AM
Hi Toni.

Maria Shears 11:30 AM
Toni, we're looking over the sales numbers.

Congrats on the big win this month!

Toni Bragg 11:31 AM
Thanks everyone! We're going to have a company wide announcement later this week.
