

My Activity Ticker

Version 11

Published 3/1/2017 12:58 AM by [Matt Trujillo](#) Last updated 9/7/2018 12:51 AM by [Grace Kamau](#)

On the right hand side of the My Activity Stream page is the Activity Ticker. The Activity Ticker features finer details of activity in the community, such as commenting, liking, and up voting. It provides a quick view into content from all the users and spaces you are connected to and have permission to see.

- Alexis Fox posted an event: Party Planning Committee Meeting : Human Resources 1 hour ago

In addition to displaying updates available through your [My Activity Stream](#), the Activity Ticker also includes activity on content you are not following in spaces or content your friends are engaging with, but you may not have discovered yet or chose not to follow closely. This expands the information you have access to and helps you connect with information that may interest you.

Activity Ticker

- Richard Downing commented on Rebecca Kucera's wall post: This is interesting and helpful! Thanks for sharing Rebecca Kucera : Human Resources 2 minutes ago
- Maria Shears commented on Rebecca Kucera's wall post: Thanks Rebecca. I'll take a look! Great share! : Human Resources 2 minutes ago
- Rebecca Kucera posted to the wall: Hey everyone! I came across this article online and I found it to be very informative, considering our new employee.
